### **Congratulations! You've made dreams happen . . . You've sent people to school!**

As we wrap up 2009 and the 3<sup>rd</sup> Annual Eat At Joe's, we are proud to announce that we have been able to give out over \$12000 in scholarships in the community and have another \$6000 to award. Your support and contributions have sent to two deserving individuals on to secondary education and have allowed two talented and driven individuals to pursue their dreams on a non-traditional track.

As I conclude my third and final year as President of the Joseph A. Aliseo Jr. Foundation, it is with a grateful heart that I look back on my years and reflect at all the generosity and support that has poured forth from the community. Whether it was a donation, a purchase or a helping hand, the friendship and sense of community has been overwhelming.

I know that I leave the foundation in the capable hands of my fellow board members and friends. I look forward to seeing the smiling faces of next years recipients and heartily look forward to another amazing Eat at Joe's. It has been an experience of a lifetime and a true testament of what can happen when a group of people can come together for a common goal.
