

Dear friends,

Thank you for your tireless and generous support of “Eat at Joe’s”. From the board members, the volunteers, the donors and the attendees . . . We all came together to make this event happen, to remember and honor Joe and now our efforts will live on in perpetuity. The countless hours, the thousands of dollars in donations . . . these all built the fund that we will now turn over to the Community Foundation for future scholarships to be given in Joe’s name.

A special thanks goes to our sponsors, some who have been with us from the beginning and some who were able to join us for the 5<sup>th</sup> and Final. Your generous contributions have allowed us to reduce our overhead and to put more back towards the scholarship funds. Thank you.

Our Sponsors:

Cle Elum Bakery

NKC Tribune  
Roslyn Brewery

Puget Sound Energy  
Vintage Vine

Honorable mention goes to Joe’s family who has shown up each year to make the sauce and share in our memories of Joe. Your loving touch made this event authentic and unique.

And finally a personal thank you to George Denning, Web Master extraordinaire, who kept the vision strong, provided the website that was the foundation of our communication, and kept us laughing when we got too serious. Thank you Geo!

Early in our journey, a dear friend shared this quote by Brian Andreas . . .

Someday the light will shine like a sun through my skin & they will say “What have you done with your life?” & though there are many moments, I think I will remember in the end, I will be proud to say I was one of us.

My hope is that each of you that were involved in this experience can say, “ I am proud to say I was one of us. . . ”

Thank you for joining us on the journey.
